The JA Nova Scotia Board of Directors recently voted to postpone this year's Nova Scotia Business Hall Of Fame. It was a difficult decision but one required as JA Nova Scotia continues to strengthen its operations and work through some organisational restructuring.

"Thanks to our dedicated staff and volunteers we are confident we can deliver on the newly proposed timeline." noted Paul Janes, Chair of the Board of Director. The Selection Committee has met and presented the short list to the Board of Directors and Judging Committee. We expect to announce the newest class of Lauretes in mid-October.

The Induction Gala's new date is February 27th, 2024 and will be hosted in the Ballroom at the Halifax Convention Centre. An upcoming announcement will be made about the new date for the Laureate Breakfast.

**About Nova Scotia Business Hall of Fame**

The inaugural Business Hall of Fame was held in 1993 to recognise the contribution made to business by successful leaders and entrepreneurs. The Business Hall of Fame has become an institution of unmatched significance to the business community of Nova Scotia.

This year marks the 30th Anniversary of the Nova Scotia Business Hall of Fame. The traditional symbol of 30 years is the pearl, known as the gem of the sea. A fitting tribute to our laureates, pearls represent wealth, honesty, and wisdom. The Business Hall of Fame provides a unique opportunity to discover pearls of wisdom from our laureates that we know will inspire our community and the leaders of tomorrow.
